

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
NORTHERN DIVISION

JOHN J. STAPLETON,

Plaintiff,

v.

JOHN DOE et al.,

Defendants.

Case No. 1:22-cv-12036

Honorable Thomas L. Ludington
United States District Judge

Honorable Patricia T. Morris
United States Magistrate Judge

ORDER ADOPTING REPORT AND RECOMMENDATION AND DISMISSING CASE

On August 30, 2022, John J. Stapleton brought claims under six federal statutes and the United Nations Charter of Rights against 12 defendants. ECF No. 1.¹ The case was referred to Magistrate Judge Patricia T. Morris. ECF No. 6.

On October 6, 2022, Judge Morris recommended that this Court *sua sponte* dismiss the Complaint. R&R, ECF No. 21 (“I conclude that Plaintiff has failed to state a plausible or non-frivolous claim . . .”). The R&R states that the parties may object to and seek review of the R&R within 14 days of service, but neither party filed any objections.² They have therefore waived their right to appeal Judge Morris’s findings. *See Thomas v. Arn*, 474 U.S. 140, 149 (1985).

Accordingly, it is **ORDERED** that Plaintiff’s Objection, ECF No. 9, is **OVERRULED**, the Report and Recommendation, ECF No. 8, is **ADOPTED**, and Plaintiff’s Complaint, ECF No. 1, is **DISMISSED WITH PREJUDICE**.

Dated: October 25, 2022

s/Thomas L. Ludington
THOMAS L. LUDINGTON
United States District Judge

¹ This case might be related to another case Plaintiff filed. *See Austin v. Stapleton*, No. 1:22-CV-11895, 2022 WL 4286847 (E.D. Mich. Sept. 15, 2022). But that will not be explored here.

² Plaintiff filed an objection, but it is illegible and incomprehensible. *See generally* ECF No. 9.
